AUDIO

In today's high-tech world, audio systems are important to most consumers. Approximately 95% of Ford vehicles are ordered with factory-installed sound systems. Many prospects, especially youthful customers considering Escort ZX2, may be more interested in the quality of a vehicle's sound system than in other features. Don't be surprised if the audio system is the first feature a customer tries out on a demonstration drive!

Because a vehicle's audio system is such an important factor in the purchase decision, Escort ZX2 offers a range of audio systems to satisfy the needs of everyone, from audio novices to audiophiles.

ELECTRONIC AM/FM STEREO RADIO WITH DIGITAL CLOCK*

- Electronically tuned with seek feature
 - Fully electronic tuning delivers excellent no-drift reception
 - Seek feature finds and stops exactly at the location of the next listenable station up or down the frequency band
- 6 AM/12 FM station memory tuning
 - Memory tuning allows the recall of 18 preset stations
- 24-watt internal amplifier
 - Internal amplifier delivers plenty of power for resonant, high-fidelity sound
- Four optimally positioned premium speakers
 - 5 1/4-inch front speakers with extended low-frequency response and greater sensitivity deliver excellent left-right differentiation and acoustic reproduction
- Separate bass, treble and fade controls
- Bright vacuum fluorescent display
 - Allows easier viewing of the radio station or time display
- Distortion-limiting system
 - Helps limit audio distortion at high volume for a more pleasing sound

ELECTRONIC AM/FM STEREO RADIO WITH CASSETTE TAPE PLAYER AND DIGITAL CLOCK*

Includes features of the standard AM/FM Stereo Radio plus:

- Electronic tuning with scan
 - Scan feature allows automatic preview of listenable stations up or down frequency band
- Cassette tape player
 - Soft-touch controls and auto-reverse provide simple control of cassette functions
 - Full-logic system pre-tensions the tape to help take up any slack and help prevent the possibility of the tape being damaged
- Dolby B noise reduction
 - Filters cassette tape noise for truer sound reproduction

ELECTRONIC AM/FM STEREO RADIO WITH CASSETTE TAPE PLAYER AND PREMIUM SOUND* Late Availability

Includes features of AM/FM Stereo Radio with Cassette plus:

- Provides ability to easily upgrade/add a dealer installed radio-controlled Compact Disc changer
- 80-watt premium sound amplifier
 - Provides additional power that enhances sound clarity at all volumes

* Refer to your most current Dealer Ordering Guide for specific audio availability.

ESCORT ZX2

AUDIO (CONT'D)

6-DISC RADIO-CONTROLLED CD

CHANGER* Factory-installed

Includes features of AM/FM Stereo Radio with Cassette and Premium Sound plus:

- Four premium quality speakers
 - Wide-range speakers that enable the sound system to reproduce a wide spectrum of sound frequencies that result in full, more accurate sound
- Separate CDDJ unit holds 6 CDs
- CD changer is luggage compartment-mounted for a low profile theft deterrent
- Radio panel controls
 - Convenient, easy-to-use hard-wired sound
- Empty port memory
 - Eliminates empty port "loading," so that music playback is virtually continuous, even when the unit switches from one disc to another
- Compression button boosts softer passages of music

6-DISC RADIO-CONTROLLED CD

CHANGER* Dealer-installed

- Cargo area mounting available for added security
- "AMS" Automatic Music Search
 - Quickly locates/repeats CD tracks
- Shuffle function (some applications)
 - Plays tracks in random order
- Empty port memory
 - Eliminates empty port "loading," so that music playback is virtually continuous even when the unit switches from one disc to another
